## **Senior Citizen Services offers a prescription resource for Macomb County**

MOUNT CLEMENS, Mich. – Macomb County seniors, age 60 and older, may qualify for assistance with their prescription bills through services provided by the trained professionals at the Prescription Resource Network (PRN).

The network is a partnership between the Macomb County Department of Senior Citizen Services and St. Joseph Mercy of Macomb. PRN counselors guide eligible clients through the programs offered by participating pharmaceutical companies. These programs can provide free or low cost medications for long-term prescription drug needs.

Qualifications for the program are unique for each pharmaceutical company. The PRN counselors review individual guidelines and income eligibility levels, help process paperwork and work with physicians' offices to ensure prompt delivery of medications to qualified clients.

For program qualifications or for more information, call Colleen Burns at 586-469-6316.
